The consideration for the CEO salary is composed of several inputs: current compensation, market review of compensation of comparable ABMS Executive Directors, performance review, ABO financial status, and any other information that may be deemed relevant. The ABO Chair and Vice Chair, in consultation with the ABO Finance Committee, recommend the CEO's salary to the full ABO Board annually.

A 2019 compensation evaluation conducted by an outside consultant group showed that CEO compensation is fair and competitive.

A 2022 compensation evaluation conducted by an outside consultant group showed that staff compensation is fair and competitive.

Staff compensation ranges are determined based on job scope and performance in reference to an independent salary survey that includes both national and local benchmarks. This survey is conducted every two to three years with annual updates.
